

Emily Beauregard, MPH

Executive Director | Kentucky Voices for Health

Emily Beauregard became the Executive Director for Kentucky Voices for Health after years of active health coalition membership. Prior to joining Kentucky Voices for Health, Ms. Beauregard served as Director of Planning and Communications at the Kentucky Primary Care Association, where she worked on practice improvement, community development, policy advocacy, and communications with members and policy-makers. She previously served for five years at the Family Health Centers in Louisville as the Health Planner and Refugee Health Coordinator. Ms. Beauregard holds a Master's degree in Public Health from the University of Illinois at Chicago.
