We're excited to be back in person for 2022! Here's what to know about the event as you select the best sponsorship package for your organization.

AUDIENCE

Participants include all healthcare stakeholders, including employers, purchasers, plans, employers, labor unions, government, pharmaceuticals, academia, public health, nonprofits, consumers, and anyone interested in healthcare. In previous years, virtual and in-person, we have averaged more than 200 attendees.

LOGISTICS

Dates: April 12-13, 2022

The Olmsted | 3701 Frankfort Avenue | Louisville, KY 40207

COVID CONSIDERATIONS

The KHC is committed to providing a safe environment for stakeholders to gather in person. This includes creating distancing, vaccination, and masking policies for the event that align with federal recommendations. Details about these policies will be announced closer to the event date to remain as current as possible with the ever-changing COVID climate.

The conference will be held in person (no virtual option) and will ONLY be moved to fully virtual if there is an emergency related to the pandemic. Refunds will not be provided. If the event is moved to a virtual platform, sponsors and exhibitors will maintain comparable benefits.
