

Shannon Derrick

Manager, Care Management | Passport Health Plan

Shannon Derrick is a Manager at Passport Health Plan by Molina Healthcare. Shannon has a Master's Degree in Community Counseling, is a LPCC, and has over 18 years' experience working in social services and health care management, including the past 4 years working for Passport. In her current role Shannon oversees a team of Community Connectors, who are primarily Certified Community Health Workers, and housing specialists. Her career has been focused on services that lead to long term improved outcomes for those who have aged out of states' care, people experiencing homelessness, victims of domestic violence, and children in poverty. Shannon is a member of Louisville Metro Domestic Violence Prevention and Coordinating Council, previously served on the Domestic Violence Fatality Review Committee, is past Co-chair of Community Shield, and Assistant Cross Country Coach for St. Agnes School's 1st and 2nd grade team. Shannon lives with her husband, three boys, and cat, who may make an appearance during this call.
